TYWAYNE WILSON

Tywayne Wilson was born on June 16th 1959 to the union of Benjamin and Sherrie Wilson in Chicago Illinois. He was the 4th child born to this union; his Father preceded him in death. Tywayne received his high school education at Thornwood High School in South Holland Illinois, where he excelled in academics and sports. Tywayne was a great football player and wrestler. He furthered his education at Northern Illinois University where he also wrestled and received his Bachelors Degree.

Tywayne worked for Commonwealth Edison until his first retirement. Tywayne then went on to work for the great City of Markham Illinois where he was the Director of Housing until retiring a second time.

Tywayne accepted Christ as his Lord and Savior at an early age at Christ Temple Baptist Church in Markham Ill where he remained a member until death. Tywayne was passionate about helping people throughout his Life.

Tywayne pledged with and became a member of Phi Beta Sigma Fraternity, Epsilon Gamma Chapter. He was a Sigma to his heart. Tywayne was also a member of Mombassa Relief initiative where he traveled to the Motherland (Africa) and carried out humanitarian efforts to help the people in need.

Tywayne also started a business called KPI (Kenya Precious Imports) where he went to Africa and imported Authentic African Art. You could always tell when he had a show and or had been to your house to sell his Art. Tywayne also had a love for cars. He always was riding slick and at one point had a car collection that included old school cars. Tywayne was a perfectionist, he loved to work in the yard where it was manicured with flowers covering the entire yard. Tywayne's Christmas Lights Displays would stop traffic every year.

Tywayne had a passion for making people smile and enjoying a good laugh with a witty sense of humor. He was also a Prankster so you always had to stay on your toes or he would get you. Tywayne had a huge heart and a love for people especially his family. Tywayne found his biggest joy in caring for mother as her health provider, where he would occasionally post a video of her singing and wearing different hats. He was very active with social and civic activities of Markham, IL. He even sought a political career in Markham where he ran for Alderman.

Tywayne was a dedicated, focused and hard working man. Tywayne was not Married and had no biological children of his own but was always looking to help his nephews, nieces and youth in the community.

Tywayne was summoned home to rest on Tuesday, September 13, 2022 at 11:59pm.
