Always in your Heart

*Picture me as I was,
Full of life and love.
Although not with you now,
I'm watching from above.*

*I know how much
You miss me,
And I miss you too.*

*It was my time to leave,
As each of us will do.
Although not in your arms,
I'm always in your heart.*

*The precious love we shared,
means we're never far apart.*
